WHO ARE THE FRIENDS?

The Friends are volunteers who give their time and effort in support of the library. Members believe that an excellent library makes a difference in their lives and the lives of the community.

The Friends of the HCPL is a non-profit, volunteer organization, dedicated to supporting library staff, library activities, and promoting the library to the local government and the community.

Membership is open to anyone interested in supporting the library and volunteers are always welcome.

PROVIDING SUPPORT

The Friends' primary means of fundraising is by selling used books. Funds also come from memberships, donations, and other fundraising events.

All funds go toward providing summer reading programs for all ages, sponsoring lectures and concerts, landscaping for the buildings, and many other projects not covered in the library budget.

JOIN US

The Friends' support provides many services to the community that would otherwise go unfunded. With your membership you become part of an organization dedicated to helping and growing our library system.
