Haywood County Public Library

Donation Policy

Haywood County Public Library accepts donations of books, CDs and other similar items that are in good condition. Unfortunately, we cannot accept encyclopedias, textbooks or computer books that are more than two (2) years old. Donations become the property of the library. If we choose not to add them to our collection, they will be given to the Friends of the Library to be sold in the annual book sale.

Haywood County Public Library will accept donations at any time during operating hours. Donator is responsible for bringing items into the library, but we will provide a cart for convenience.

Tax donation receipts will be provided by the library. Donor is responsible for counting their donations and filling out their own form. Please be aware that we cannot assign a dollar value to your donation.

Thank you for your support of your library. We appreciate your donations!
